Financial Policy

I voluntarily and knowingly request and consent to the services, treatments and/or procedures recommended by the dentist and to all diagnostic methods deemed appropriate by the dentist which may include, but not be limited to, x-rays, study models, imagery, and other aids. I authorize the dentist to perform all such services, treatments and/or procedures and to utilize all such diagnostic methods. Further, I acknowledge and understand that the dentist may engage the assistance of others in performing such services, treatments and/or procedures and in utilizing such diagnostic methods.

I understand that the practice of dentistry is not an exact science and I acknowledge that no guarantees have been made to me concerning the results of the services, treatments, procedures and/or diagnostic methods that have been recommended. I also understand that the use of anesthesia carries with it significant risks that have been explained to me.

I understand and acknowledge that I am fully and completely responsible for the payment of all costs associated with the services, treatments, procedures and/or diagnostic methods performed and utilized by the dentist and others. I acknowledge that any insurance coverage or managed care benefit that I may have is based on a contract between my insurance company or managed care company and me, my spouse and/or my employer. The dentist is not a party to this contract and the services, treatments, procedures and/or diagnostic methods are provided to me. Therefore, I acknowledge that I am fully responsible for the payment of all sums owed to the dentist for the services, treatments, procedures and/or diagnostic methods provided to me. As a courtesy to me, the dental office will bill my insurance company or managed care company and I acknowledge that I will remain liable for any and all amounts not paid by the insurance company or managed care company for any reason (including but not limited to the insurance company or managed care company declining coverage after initially approving it) or if the insurance company or managed care company fails for any reason to reimburse the dentist within 30 days after being billed by the dentist. I acknowledge that it is my responsibility to provide the dentist with my current insurance or managed care information and any changes thereto.

All returned checks will be subject to a \$50.00 returned check fee. I will pay all costs of collection, including a \$35.00 collection fee, attorney fees and court costs, should such measures become necessary. I will pay a \$35.00 late fee for balances over 30 days past due.

I will pay a fee of \$25.00-\$75.00 for missed appointments, unless canceled 48 hours in advance. Due to the increasing cost of Personal Protective Equipment (PPE), a \$15.00 fee is due at the time of service.

I consent to the dentist's use and disclosure of my health information to my insurance company or managed care company and any agent thereof. I hereby assign to the dentist all of the insurance and managed care benefits due to me for the services, treatments, procedures and/or diagnostic methods provided to me and I authorize my insurance company and/or managed care company to make payment directly to the dentist for the costs associated therewith.

I further consent to be contacted by the dentist, any agent of the dental office, or any collection agency (or agent thereof) or attorney to whom an unpaid account balance has been assigned or referred by mail at any address that I provide to the dental office and/or by facsimile, email or phone number (whether a cell phone or landline) at any facsimile number, email address or phone number (whether a cell phone or landline) that I provide to the dental office or any agent of the dental office.
